

# Pantego Police Department Community Service Events Report

## Events for the Month of February 2010

1. The monthly **PUBLIC SAFETY FORUM** for **February** was presented by **Officer Pokey Lawrence** and was on **Residential and Business Security**. This was a very informative program with representatives from Brinks Security and Hawk Security there to answer questions and talk about their products. If you were not in attendance you missed some very helpful information especially if you are interested in having a security system installed in your home or business in the near future. Please plan to attend in March when the **Fire Department** will be bringing us another of their excellent programs. See you there! **March 25, 2010, at the Town Hall Council Chamber, 6:30PM.**

2. Corporal **Marisa McCann** conducted a Police Department tour on February 15, 2010. If you or your group would like to tour the Pantego Police Department or Jail, please contact us as 817-274-2511. We will be glad to set up a tour. This is something the young and older alike always seem to be fascinated with. You will enjoy it too!

3. The new Crime Watch Signs are now going up in the neighborhoods and business districts across town. Public Works personnel are working hard to get this done. They have been hampered somewhat by damaging snow storms and other inclement weather but they are moving along on this project. If you have any questions or concerns about these signs please contact the Police Department or Public Works. We would be glad to hear from you.

4. ***The Mission of the Pantego Police Department: Our Mission is to protect and serve the citizens of Pantego through community oriented crime prevention programs, community involvement and education, thorough and timely criminal investigations, aggressive patrols in the business and residential districts, and teaming with federal, state and local emergency management personnel, law enforcement agencies and prosecutors in the area for a professional approach to fighting crime and keeping our community safe.***

7. ***The Motto of the Pantego Police Department: To Protect and Serve the Citizens of Pantego.***
