

Pantego Police Department Community Service Events Report

Events for the Month of Jun 2010

1. On June 26, **Officer Matt Boatright**, representing the **Pantego Police Department and the Town of Pantego**, attended the funeral service **fallen Lancaster Officer, Craig Shaw**. **Officer Shaw** was killed, in the line of duty, earlier in the week in a shoot out in a **Lancaster** apartment complex.
2. On June 12th, **Officer Pokey Lawrence** conducted a residential security assessment in the **100 Block of Park Row Court**. **This service is provided by the Pantego Police Department for all our Pantego residents and businesses.**
3. **Sergeants Barry Reeves and Chad Hoya, and Public Works personnel** helped members of the **Camp Thurman staff and volunteers** with the **“His Amazing Grace Race”** on Saturday, June 19, 2010. This is an annual event for **Camp Thurman** and the race covers about a mile of **Pantego’s** streets.
4. Local radio station **“Radio Disney”** was in the **Pantego Park** on Saturday, June 26, 2010 helping the **Tarrant County Health Department and the Town of Pantego** to promote our local **Farmers Market and healthy eating**. Although attendance was low for this event, those that did come out had a great, fun time and stayed to the finish. **Officers Pokey Lawrence and Laura Tatsak** helped out and watched over all the activities.
5. On Thursday June 3rd, **Sergeant Barry Reeves and Officer Matt Boatright worked with parents and teachers from Hill Elementary School as their 6th grade** classes walked from the school to our **Pantego Park**. The major challenge was to get the kids (and parents) safely across South Bowen Road at Smith Barry Road. All went well and the group enjoyed a fun afternoon at **Bicentennial Park in Pantego**.
