

Pantego Police Department
Community Service Events Report

Events for the Month of October 2010

1. On October 18-19, 2010 Sergeant Barry Reeves and Sergeant Chad Hoya conducted a Safety Program for the Woods Chapel Day Care children in Arlington. See the attached pictures. Everyone enjoyed the motorcycle and patrol unit and the excellent safety message officers passed on.

2. On October 12, 2010, Sergeant Chad Hoya and Officer Chad Hickey presented the Stranger – Danger Program to Ms. Daren Steer’s Brownie Troop. The program was held at the Lions Club on Marathon Street in Pantego.

3. On October 5, 2010, Police and Fire Personnel, Public Works Personnel, the Mayor and all of the Council Members participated in the National Night Out. If free food given away is any indicator of the attendance then this must have been the best attended NNO event held in Pantego in recent years. Attendees consumed 220 Coker BBQ sandwiches, 400 It’s All Good Hot Dogs and plenty of CC’s Pizza deserts before we ran out. Many local vendors participated and everyone had a great time. We are all looking forward to next years’ event. Pictures are attached.

4. On October 31, 2010, everyone participated in the Halloween in the Park event which was also a huge success. The crowd attending this event was as large if not larger than any Halloween event we’ve had in the park in recent years. It was a fun night out with the kids!

5. The next Public Safety Forum will be held on Thursday, November 18, 2010, at 6:30 PM, at the Town Hall Council Chambers and will be presented by Pantego Police Officer, Pokey Lawrence, and representatives of the Texas Auto Burglary and Theft Prevention Authority. The topic of discussion will be *holiday crimes* with an emphasis on vehicle burglary. Mark your calendar for this special program and come on out and help us to get the “jump” on the *would be* “holiday criminal”. We plan to have refreshments for the attendees and possibly other helpful take home items that will help you be better prepared for an emergency. Watch for the flyer in your water bill.
