WATCH OUT FOR SCHOOL CHILDREN IN THE CROSSWALKS!!

Just a reminder that schools in our area are starting back soon and that we should all be watching closely for the little ones, as they are getting familiar with the signals, road crossings and all the traffic.

To help get everyone started out right Public Works Director Ron Edwards is activating school zone signals on West Park Row Drive (Pantego Christian Academy) and South Bowen Road (Bailey Junior High and Hill Elementary) beginning Friday, August 13, 2010. The signals will operate during regularly scheduled times each day until school begins as listed below:

First day of school for Pantego Christian Academy begins on Thursday, August 19, 2010, and daily activation of the signals is;

7:30 AM to 9:00 AM
12:00 Noon to 1:30 PM
2:30 PM to 4:30 PM

First day of school for Arlington's Bailey Junior High and Hill Elementary begins on Monday, August 23, 2010, and daily activation of the signals is;

7:30 AM to 9:00AM
3:00 PM to 4:30 PM

Pantego Police Officers will be closely patrolling the school zones during this initial activation period prior to school actually starting but will not be issuing citations for school zone related offenses. This will be considered a "grace period" and if violations are observed only warning citations will be issued.
